School Mission and Goals

The Faculty of ACPA is dedicated to fostering the growth and development of our students, academically, socially and personally. Our goal is to graduate students who will be competitively skilled, self-motivated, value-centered citizens of the global community ready to pursue a college career. Our ideal is a rigorous pursuit of knowledge and its' application in an interdisciplinary and integrated core curriculum ripe with real-life interactions and experiences.

On Campus Incidents 3

ACPA works diligently with the students, parents and teachers to create an environment which is safe and supportive for all students. ACPA is a closed campus and all visitors are required to check in at the office. Additionally, students participate in teambuilding activities designed to increase communication skills and reduce violence. The basis of this program is Seven Habits of Highly Effective People, Non-Violent Communication, FISH for Schools and Paul Kivel's Making the Peace program.
